

Iyad Hallak

Date Of Brith: 1/25/1996

Lebanon, Bekaa, Taanayel | 0096181764910 | iyadhallak@hotmail.com

Object

- A highly organized and hardworking individual, I want to broaden my horizons and gain a different perspective so that I can look at the same thing from a variety of angles.

Education

- Meta Front-End Developer Certificate|2023|
- Google UX Design |2022|
- Technical Diploma in Computer Engineering/Network Engineering Specialization | 2016 | Damascus University.

Experience

- ❖ **Front-End Devoloper |JANUARY 2024-PARENT|**
 - Building responsive and interactive websites using HTML, CSS and JavaScript.
- ❖ **Designer UX/UI | DECEMBER 2022 – PRESENT |**
 - Led design project for many products resulting in improved user satisfaction, conducted user research and interviews to gain

insights into user behavior and pain points, informing design decisions and shaping product strategies.

- Developed wireframes, interactive prototypes, and high-fidelity designs using industry-standard tools (e.g., Adobe XD, Figma, adobe photoshop and illustrator) to communicate design concepts effectively.
- I am eager to contribute to creating innovation solutions that align with business goals on my portfolio:
